Outside of Austin’s already demanding academic and athletic schedule, he has invested much of his free time advocating for student-athletes with the NCAA Student-Athlete Advisory Committee. Each committee is assembled to provide insight on the student-athlete experience and offer input on the rules, regulations and policies that affect student-athletes’ lives on campus. Outside of his work with the committee, Austin has also volunteered his personal time to build courts for kids in Uganda and continues to dedicate much of his time working with veterans through the Wounded Warrior program.

Megan has not only spent her time relentlessly training for competition and traveling with her team, but has also focused much of her time on community outreach. In 2017 she helped create a club on campus called The Wishmakers, whose primary focus is to raise funds for Make-A-Wish Oregon. In addition, she has found time to work in the Marcus Lab where she focuses research on the mechanism of single-stranded DNA binding protein gp32 and has continued her education and personal growth through summer study abroad programs with the R.D. Clark Honors College.

Oregon Athletic Benefits

All rewards and benefits are filled in priority point order and then according to consecutive years of season ticket purchase for non-Duck Athletic Fund Members. You must be a current member to have active points. Membership begins by making a minimum pledge of $50 to the Duck Athletic Fund for the 2019 calendar year.

Priority Point System

Our priority point system enables Oregon to have a structured order process for handling all benefits and requests. Our goal is to reward longtime supporters of Oregon Athletics while allowing new members to get involved. All Duck Athletic Fund contributions go to student-athlete support.

Priority Point Formula

1 point per $10: Current year unrestricted DAF pledges
1 point per $100: Lifetime athletic donations and restricted gifts
1 point per $500: Deferred pledges
1 point per consecutive year of season ticket purchases

Points are recalculated based on current records, four times a year: February 28th, June 1st, October 25th and December 31st. Some variations may occur. Check out the calendar on page 19 for more information.

Game Day Parking

Autzen Stadium

Reserved car and RV parking provides donors with designated spaces in Autzen Stadium lots which are reserved regardless of arrival time. Minimum giving levels for football seating/parking contributions are: reserved car $4,500, reserved RV $6,000.

New requests and parking location improvements will be filled in priority point order. Because of limited space for RVs, new requests are not guaranteed. Tailgating is for small family and friend gatherings. Car parking spaces are 9’x20’, RV spaces are 18’x40’. All tailgating must be contained within the designated dimensions. Parking passes are non-transferable and intended as a donor benefit.
